

Jubilee Academy

MAY 20, 2015

JUBILEE ACADEMY IS A FAITH-BASED ORGANIZATION, WORKING TO TURN THE HEARTS AND LIVES OF INNER-CITY CHILDREN, YOUTH AND FAMILIES TOWARDS CHRIST AND ACADEMIC EXCELLENCE.

Awards Ceremony and GRADUATION

Aaron Steele and Tre' Martin are graduating from Jubilee Academy!
Please join us Thursday May 28th at 3:30 for our Awards Ceremony and Graduation in honor of Aaron Steele and Tre' Martin. The ceremony will take place upstairs in the church sanctuary located at 3390 Pinebelt Rd.

Aaron is completing his 8th year at Jubilee and has been with the school from the very beginning. From learning to ride a bike to Pre-Algebra, Aaron has grown tremendously as a young man. He enjoys basketball, football and anything else sports related, and is always willing to give a helping hand. Tre' is completing his 2nd year and has blossomed into a well-rounded young man with a passion and love for music. He helped lead the school in music and song and continues to look for ways to provide spiritual leadership to those around him.

Both young men attended Teen Pact Leadership School where Tre' was elected Governor and Aaron served on the Governmental Decisions Committee. We are so blessed to have been part of these young men's lives and we look forward to seeing them continue to grow into the wise and spiritual men that God intends them to be. Congratulations Aaron and Tre'!

"In the end, it's not the years in your life that count. It's the LIFE in your YEARS."

Abraham Lincoln

Tre' spends a little time each day after lunch practicing on the drums while Aaron spends his on the B-ball court.

Jubilee doesn't stop during the summer!

Summer at Jubilee...

Summer is quickly approaching and the kids at Jubilee don't stop. Jubilee offers participation in weeks of summer camp away from home, hands-on learning experiences, and an up close experience with our developing, sustainable garden program. Our summer keeps students excited while providing opportunities to nurture independent learners and thinkers with excellent problem solving skills.

We invite teenagers, college students or anyone else who feels called

to get involved and volunteer this summer as we continue with school lessons in climate changes, life cycles (both plant and animal), and much more. Whatever your talent or gift we'd love for you to share it with us as we continue to look for ways to promote a vast educational experience for all of our students.

**If you can't be here directly and want to give something specific, our wish list is as follows: A new grill or slightly used grill, field trip tickets to the zoo, waterpark, or other summer activity, healthy snack, fresh fruit, bottled water, no sugar added juice boxes, Gatorade, trail mix, and more... (please call the school for other ways to help).*

"Education is the most powerful weapon which you can use to change the world."

Nelson Mandela

Continue to pray for the staff, teachers, students and families of Jubilee!

Satan desires for our school and ministry to fail. Each and every day Jubilee is faced with spiritual battles that most people can't understand. Our hope is that each of you will continue to pray for our staff, teachers, students and families and that God will continue to bless, provide for, and grow Jubilee for His Kingdom and His will to be done. We rely on God's merciful and gracious hand each and every day and know that each of you will continue to partner and serve as prayer warriors for the good work that is being done at Jubilee Academy.
